Designers & Builders of Quality Exhibits

Custom, Hybrid & Rental Trade Show Exhibits

Dimension Craft has been designing and building custom and rental exhibits for over 40 years. Our exhibits and displays encompass all the senses ... sight, touch, taste, scent,

and sound that gets your exhibit noticed.

The more senses an exhibit appeals to the more emotionally connected your clients will feel towards your brand.

Our price competitive custom, hybrid

and rental exhibits and displays include: double decks, islands, peninsulas and in-lines that can be tailored to your company's trade show budget and design requirements.

Pop Up Displays & Banner Stands

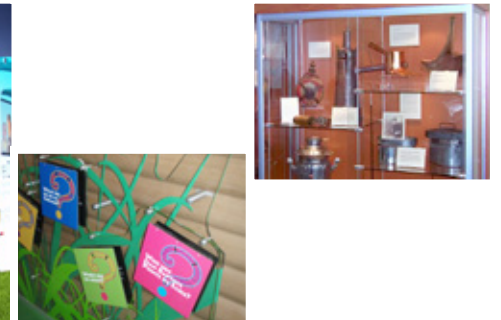

Pop up displays and banner stands are affordable and easy to set up and store. They are an ideal solution for smaller exhibits and retail environments. Graphics can easily be changed out when needed. Let us help you with your portable solutions.

Zoo & Museum Exhibits and Displays

Not all exhibits are intended for the tradeshow floor. Dimension Craft has the expertise and knowledge to create an exhibit that makes a lasting impression on your audience. Some of Chicago's largest tourist attractions like Lincoln Park Zoo, Chicago History Museum, Adler Planetarium, Museum of Science & Industry, and the DuSable Museum have trusted Dimension Craft to design and build their exhibits.
